DEUS[®]

XP DEUS NEVER MISSES A TARGET

Depending on the target and the terrain you are detecting on, choose one of the 35 frequencies that offers the 3 different DEUS X35 coils. Whether you're searching for large, deep treasures or smaller, shallow items, the XP DEUS has the perfect frequency to suit your needs.

- Fast and **powerful**
- **35 frequencies** to adapt to all targets, all conditions
- First **fully wireless** metal detector
- The most **ergonomic** metal detector with its S-Telescopic stem

ORX[®]

FIND MORE THAN GOLD

HF COIL
GOLD PROSPECTING

X35
FREQUENCY COIL

With a frequency range that goes up to 81 kHz, XP ORX is the ultimate tool for finding the smallest gold particles. Whether you're a seasoned gold hunter or a beginner, XP ORX has the precision and sensitivity you need to make your next big discovery. Choose XP ORX and take your gold detecting to the next level.

- Ideal **VLF metal** detector for native gold & gold coins (81 KHz!)
- **Powerful** and affordable
- **Lightest** metal detector in the world
- **Fully wireless** metal detector

DEUS II

EXPLORE LIKE NEVER BEFORE

FMF 4-45 kHz
Fast Multi Frequency

The DEUS II is the epitome of versatility. Equipped with the FMF® technology, it is equally at home on any terrain. This state-of-the-art metal detector has been designed to provide unparalleled performance. In addition to its exceptional performance on land and beaches (even wet sand), the XP DEUS II Metal Detector is also a proficient diving companion.

- Most **versatile** metal detector (FMF Technology)
- Unparalleled performance on **all terrains**
- **66ft-20m waterproof**
- **Rich audio** (dynamics sounds, 4 band equalizer)
- First **Multifrequency fully wireless** metal detector

XTREM HUNTER

ACCURATE TARGET AT DEPTH
OF UP TO 5 METERS (17 FEET)

New standards in the world of deep seeking metal detectors, it delivers unmatched performance and stability through its unique ability to limit ground effects.

- Incredible performance (up to 5m deep)
- Unparalleled stability
- **Iron recognition**
- Dynamic bar graphic display

WS6 MASTER

LIGHTEST DEUS II CONFIGURATION

- Same settings and **same performance** than RC version
- Compatible with all DEUS II **wireless headphones** (WSA II, WSA II-XL, WS6)
- Large graphic display

XP ACCESSORIES

XP offers you a wide range of accessories, headphones, coils, bags, protections...

MI-6 PINPOINTER MI-6

The MI-6 is the first pinpointer on the market to offer wireless connectivity to your XP DEUS II, DEUS or ORX detector.

eXPlore the range
of XP pinpointers

MI-4 PINPOINTER MI-4

The MI-4 is a traditional pin pointer, designed to be used by all detectorists at an attractive price, the MI-4 has the same specifications as the MI-6, without the DEUS / ORX radio connection.

The unique backpack specially designed for metal detectors. With its multiple pockets and dedicated XP compartments, this tough high end backpack is the ideal accessory for transporting everything you need for the perfect detecting session.

The XP BACKPACK 280 is robust and suitable for outdoor use whatever the weather conditions, thanks to its rain cover.

GOLD PROSPECTING

Experience the ultimate in gold prospecting with XP Gold Prospecting range, featuring high-quality pans, classifiers, batea, and accessories. Among the innovation the kits boast: defragmenter, Snake Skin, double sieving action in one go, and more!
